

Job Description: Licensed Clinical Psychologists

Now Hiring — New Jersey

Become a part of our amazing team! Integrative Psychology Services is a thriving clinical practice that has been providing psychological services to the elderly population in New Jersey since 2006. We are a dynamic, growing private practice located in the Essex County area. Candidates **MUST** be licensed in the state of NJ. We are looking to provide psychotherapy services to residents of senior facilities throughout New Jersey. We are currently actively looking to fill positions in and around Bridgewater, Basking Ridge, Hillsborough and Somerset, NJ.

We are currently looking for **EXCEPTIONAL LICENSED PSYCHOLOGISTS (PsyD or PhD)** to join our practice. If you're interested in an intellectually challenging and rewarding career where you can make a major difference in the lives of others, we invite you to submit an application to join our group.

We believe clinicians should not be burdened by excessive paperwork or administrative tasks and should be provided with ample time to engage in meaningful therapy. You will be able to set your own schedule and get exposure to treatment modalities from other specialists at our practice.

This is the perfect position for someone who wants to experience working in long-term care settings and be a vital member of a multidisciplinary treatment team.

Responsibilities and Duties

- Provide individual, couples, and family psychotherapy services with elderly patients who present with the full range of DSM diagnoses and are often subject to compound stressors and co-morbid medical conditions.
- Conduct evaluations and 45-minute psychotherapy sessions with individuals, couples and families as well as speak to collaterals.
- Utilize our electronic record keeping system to document client notes and billing.
- Understand the HIPAA requirements for mental health records and maintain appropriate documentation.
- Use teletherapy modalities for patients unable to travel to our office.
- Candidates must be licensed in the state of New Jersey, need to be eligible to be on insurance panels, and carry their own liability insurance policy.

Qualifications and Skills

- Licensed Clinical Psychologist (PhD or PsyD) in the state of NJ.
- Experience working with clients who struggle with depression, anxiety, interpersonal problems, and life transitions.
- Warm, open, and passionate about helping others.
- Experience working with adults, couples, and families, with strong writing skills.
- Engagement in continued training in evidence-based treatment, utilizing a client-centered, cognitive behavioral approach.

What We Offer

- Extremely competitive compensation.

- Paid holiday and vacation time.
- Simple IRA retirement plan.
- Supervision/consultation.
- Warm, friendly, and supportive team work environment.
